I rise on matter of privilege relative to the KBOO Foundation's acts of filing  certain Forms required to be filed  with the FCC where those forms are required to report the residence of each member of the governing board

All objection on my part -- as a member of the KBOO Foundation Board of Directors  -- to having my residence address replaced in its FCC filings  by the Foundation's office address have been futile.

Since at least 10/27/2009 the Foundation  has  listed (in Ownership Reports  FCC Form 323-E ) its  office address as being the correct RESIDENCE address of each member of the governing board; incorrect information required to certified as  being correct as to each named  member of the governing Board on a date certain has been willfully and repeatedly filed with the FCC in FCC Form 323-E,  and a copy has been placed in the KBOO Foundation Public file  in accord with CFR Sec. 73.3527. See <http://licensing.fcc.gov/cgibin/ws.exe/prod/cdbs/pubacc/prod/own_list.pl?Facility_id=65755 >

Formal or informal objection to the KBOO Foundation  Owneship Reports currentlyon file with  the FCC Form 323-E must be xubmittd before New Year 2014.
